David J. Bradley, Clerk of Court

Faurma Pauperis No. 2:11cv81

42 U.S.C. Chapter 1983 Violation of Civil Right

Before the Honorable Lord Judge of said Court On or About May 11, 2010 I, Jorge Alberto Martinez, was asking for My Correct Medication when A County Officer Flores Opened the Door and Stood Behind the Door In A 45° Angle Opened and A Young Female Nurse Approached My Door And pulled out some Medication Called Haldol which I Did not take (I was taking A Respirodal Constashot For Almost Two Years and was fine) then I I extended My Hand and Requested My Correct Medication and She and/or C/O Flores told Me to take it and again I told them to give me My Correct Medication by stomping My Right foot on the floor and Extending My Hand Again And they Did not want to Give Me My Correct Medication (Usually they call My Regular Doctors and Ask what I take and Give Me My Correct Medications but when the Doctor had shown up Days before they Did not want to Open the Door to Allow Me to Talk to the Doctor And the Doctor Could not Hear Me)

Case 2:11-mc-00017 Document 1-3 Filed in TXSD on 03/16/11 Page 2 of 7

Then After I Kept Persisting to Give Me My Correct Medication The Guard Attacks Me with the Steel Metal Door aiming to Hit My Face Right Hand and Right Foot while I moved forward for the nurse Kept Denying Me My Correct Medication I Kept trying to Reach Her with My Extended Hand wide open to Recieve My Medication And all of the sudden the Guard attacks Me with the Steel Metal Door and I put My left hand on the Door to Prevent harm and He claims I attacked Him that is a Lie then He Runs Inside the Cubicle Cell and tackles Me Assaulting Me with His body — First He attempted aggravated assault with a deadly weapon on a ill patient — Me sick of nervous breakdowns, depressions, suicide attempts and I used to hallucinate but then I saw a Doctor whom studied In France and is A City Founder. Then He Assualts Me with His body and To Prevent Further Imminent Harm when I was loosing My balance I hugged Him to Prevent Him from Harming Me Anymore because I am used to that Police Men beat Me Up because they think I did something wrong, Sheriff Deputies Beating Me Up worst than the Rodney King Beating Then Again Because they were trying Me to force Me To Marry A Girl (4) Four Years older than Me She thinks Just Because I have Good Thoughts she wants to marry i Again 1) Flores aggravated assaults Me with a Metal Door, 2) Flores Further Attack Me with his body aiming to cause bodily Injury ther
